

I GET A GREAT BENEFIT FROM LISTENING TO MY XM SATELLITE RADIO. I DRIVE A TRUCK CROSS COUNTRY AN THEY GIVE EXCELLENT TRAFFIC AND WEATHER UPDATES ALL ACROSS THE COUNTRY. I PAY FOR THIS SERVICE AND I AM VERY SATISFIED WITH THE VARIETY OF STATIONS THAT I RECEIVE. IT SHOULD NOT BE UP TO THE NATIONAL ASSOCIATION OF BROADCASTERS TO DICTATE WHAT I AM PERMITTED TO HEAR.

I RESPECTFULLY URGE THE FCC TO REJECT NAB'S PETION 04-160 AND TO SUPPORT XM'S ABILTY TO PROVIDE THE KIND OF PROGRAMMING THAT I AM RECEIVING NOW.
